</table>
| Country(ies): | ● Russian Federation  
● Kazakhstan  
● Georgia  
● Turkey  
● Uzbekistan |

**Description of Stage reached:** The seeds of the elite lines have been distributed through IWWIP international nurseries framework and available via the website (see evidence link).

**Name of lead organization/entity to take innovation to this stage:** CIMMYT - Centro Internacional de Mejoramiento de Maíz y Trigo

**Names of top five contributing organizations/entities to this stage:** 
- BDIARI / BDUTAE - Bahri Dagdas International Agricultural Research Institute  
- ICARDA - International Center for Agricultural Research in the Dry Areas

**Milestones:** No milestones associated

**Sub-IDOs:**

**Contributing Centers/PPA partners:**

**Evidence link:** http://www.iwwip.org/Nursery

**Deliverables associated:** 
- D6943 - Elite winter wheats (http://tinyurl.com/td4tjez)

**Contributing CRPs/Platforms:** <Not Defined>
